

# Get team training with Fascination Personality Test

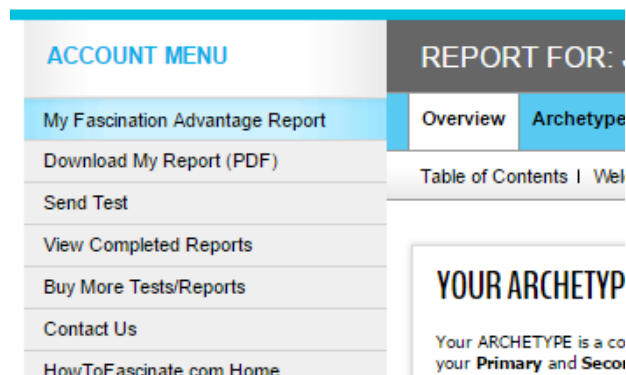

## Sharing the personality test

1: Purchase your amount of tests.

- [Click here to purchase](#)
- [Breakdown of quantity discounts can be found here](#)

2: Share your tests with the team!

- As the facilitator your tests will be loaded into your account
- From our main page go to:
  - My Account->View My Profile->Sent Test
- You can share your link from here to your team members
- Your team may want to print their results. Our PDF can be found in the report.

3: Discuss!

- Once everyone has their results, bring them all together
- Everyone can introduce their archetypes and anthems
  - Activities to do:
    - Split everyone by primary advantage.
    - Ask: Do varied teams do certain tasks better?
    - Is each department dominated by one advantage?
    - What's the most common advantage in the group?

## Let us know how your training went!
